Style: Old Ale aged in Highland Park Whisky Barrels
Alc./Vol.: 8.0%

Ola Dubh (or 'Black Oil') is a collaboration between Harviestoun Brewery and Highland Park, Distiller of the Year*. It is based on Harviestoun's award-winning Old Engine Oil. With more than a stylistic nod to the classic Imperial Porters (and Stouts) of the nineteenth century, this deliciously rich, dark, 8% a.b.v. beer is the first ale to be aged in malt whisky casks from a named distillery and, with traceable casks and numbered bottles.

"Another great offering from the Ola Dubh range. Harviestoun's Old Engine Oil has been aged this time in 18-year-old whisky casks." **Jeff Evans.**
