## De Dolle Stille Nacht De Dolle Brouwers, Esen, Belgium

Stille Nacht (Silent Night) is a prestige beer from De Dolle Brouwers, brewed for Christmas. It has the highest density of any Belgian beer (27°Pl). It has been boiling for many hours, brewed with pale malt with white candy sugar in the kettle. The Nugget hops gives an extra bitterness to balance the extreme sweetness due to the density. The taste triangle is completed with some acidity of the fermentation. It is a very interesting beer to age.
