

## Klapjoster Mjod > Dansk Mjod A/S > Denmark

A metheglin style mead with hops, and fortified with Danish Aquavit. Port-like flavors, spicy, warming, alcoholic. The deep herbal quality of the caraway is bold enough to match the massive honey character. Enjoy it like a glass a port - a tiny zip at a time!

**Appearance:** Golden honey with no head

**Aroma:** A metheglin style mead. Big notes of caraway in the nose.
