

## Mead the Gueuze > Hanssens Artisanal > Dworp, Belgium

---

### ■ Beer Collection

**Style:** Blend of  
Hanssens Gueuze  
& Lurgashall Mead  
**Alc./Vol.:** 9.0%

Each batch of the Gueuze offers different aromas and flavors only based on the century old knowledge of the Hanssens family.

**Appearance:** Golden orange with small bubbly head with no retention or lacing.

**Aroma:** Honey rich, balanced by the traditional “horse blanket” musty sourness of gueuze.

**Flavor:** Fruity, tart but not too sour thanks to the presence of honey.

**Finish:** Starts sweet but dries into a slightly sour and nutty end.
