

Nightmare Yorkshire Porter > Hambleton Ales > Holme on Swale, England

"Fully deserving its acclaim, this impressively flavored beer satisfies all parts of the palate. Strong roast malts dominate, but hoppiness rears out of this complex blend"
[The Good Beer Guide 1999]

Flavor: Nightmare is an Extra Stout Porter. Unlike many Stouts, nightmare is not overly harsh or bitter. A smooth, massively flavored creamy drink, best served on the warm side allowing full appreciation of the roasted barley used liberally in this four malt brew.
