

Organic Weisen-Edel Weisse > G. Schneider & Sohn > Kelheim, Germany

■ Beer Collection

Style: Hefe Weizen
USDA Organic

Appearance: Schneider Weisse-like, lighter, less brown, more rust and gold

Aroma: Wheaty, more bread-y-wheaty than Schneider Weisse. A touch of hops, some banana. Softer, lighter aroma than Schneider Weisse, peachy, more citrus

Flavor: Like Schneider Weisse with easy bitterness throughout and carrying through for long light bitter finish. The grittiness on top of softness makes for an interesting experience. Soft bread and hops in the finish.
