■ Beer Collection

Style: Amber Ale
with Cary Sage
Alc./Vol.: 7.5%

Appearance: The light amber-colored ale has a thick, ivory head with excellent persistency.

Aroma: The nose is intense and full, with distinct herbal aromas, along with floral, pepper and sweet tobacco notes.

Flavor: In the mouth there are sentiments of wildflower honey and fruit notes, dried figs especially.

Finish: The finish has a slight bitter taste from the hops contrasting with the sweet tobacco flavors and a marked astringency from the clary sage.
