

Toleration Ale > Hambleton Ales > Holmes on Swale, England

■ Beer Collection

Style: Gluten Free

Alc./Vol.: 4.2%

Hambleton Ales, an award-winning independent brewery based in the hills of North Yorkshire, has specially developed a gluten, barley, rye and wheat free beer for those who have gluten intolerance (coeliac condition).

Hops: A blend of Cascade, Liberty, East Kent Goldings and Challenger hops.

Appearance: Dark amber with very little head

Flavor: Specially prepared dark sugars provide a full bodied initial sweetness giving way to pronounced fruit and hop character with a strong citrus finish.
