

Vapeur de Bises > Brasserie a Vapeur > Belgium

“Don’t judge those sexy red lips too fast, this blondie has a full temper, coupled with a sour fragility. With a spiced charm and a rocky yeastiness, she’s a mini-skirt type of beer, a troubled beauty in the bar who will catch your mouth and your mind” -Bierkraft 2011

Appearance: Hazy amber brown color with off-white foam head and tons of carbonation.

Aroma: Malt notes and Belgian yeast smell with some light fruit in background.

Flavor: Notes of red apple, plum and fig in the middle with light caramel and toffee. Spicy sweetness from the yeasts and malts.
