

## Verdi Imperial Stout > Birrificio del Ducato > Roncole Verdi di Busseto, Italy

---

Verdi Imperial Stout is an Italian interpretation of an imperial stout using hot chili.

**Malts:** Pale, Caramalt, Chocolate malt, roasted malt, oats

**Hops:** Hallertauer      **Spice:** Hot chilli

**Appearance:** Pour dark brown but appears black in the glass.

**Aroma:** Coffee and cream hits the nose. Sweet licorice adds more sweet aromas.

**Flavor:** Taste of milk chocolate together with coffee and vanilla, pleasant and quite complex. The chili reveals itself and provides a sharp punch of hot spiciness that blends really well with a considerable hop bitterness and a gentle warmth of alcohol. The finish is dry and long.
