■ Beer Collection

Style: Hefe Weizen

IBU: 13

EBC: 19

OG: 1054

Appearance: CO₂ develops in the thin bottom of the glass and creates the glorious head. Cloudy, with a dark, rusty color.

Aroma: Banana, nutmeg, clove, vanilla. These are the components created by the use of the original multistrain yeast for bottle refermentation. Wafts of creamy wheat.

Flavor: Thick, full, rich wheat flavor. Less citrusy than most wheat beers tend to be. Slightly sweet. Virtually no bitterness.
